Summary

Hello there, My name is Marwa Mohammed, I'm a Frontend Web Developer 1 year in Information Technology Institute of team work experience and open source contributions, I enjoy building everything with JavaScript.

In this duration, I have learned a lot of technologies, created many cool websites, collaborated with great developers and contributed to open source projects.

So I'm always seeking to have an opportunity that matches my skills, to make the best use of all what I have learned.
